

Children's mental health

Anna Gałązka, DG EMPL

Arłamów, 28.02.2020

Context

- *European Pillar of Social Rights Principles:*
 - 16 Health care
- *Specific Objectives:*
 - 1.ix - enhancing the equal and timely access to quality, sustainable and affordable services; [...] improving accessibility, effectiveness and resilience of healthcare systems and long-term care services
- *Annex D:*
 - support transition from hospital/institutional care to affordable and quality home-care and community-based services;
 - foster equal access to affordable healthcare services, particularly for vulnerable groups;
 - build up skilled health workforce planning and forecasting as well as to support upskilling and reskilling of healthcare and long-term care personnel

2021-27 Programming

- Objectives:
 - Increase access to community based psychiatric care for children
 - Reduce the need for hospitalisation of children in psychiatric wards
- Strategic and comprehensive approach addressing all bottlenecks
- Actions supporting development of I and II reference levels of the reform
- No support to psychiatric hospitals
- Complementarity with ERDF, where needed

Thank you
